

Safety 2022

14TH WORLD CONFERENCE ON INJURY
PREVENTION & SAFETY PROMOTION

Reconnecting, Reinvigorating, Reimagining Injury Prevention

Conference Workshop WS2.3

A Practical Approach to Improve Investigations and Identify Systemic Organisational Issues

2:00pm - 3.30pm Monday 28 November 2022

Riverbank Room 4, Adelaide Convention Centre

Hosted by Mark Alston, Investigations Differently

INVESTIGATIONS
DIFFERENTLY
ENABLING ORGANISATIONAL CHANGE

Traditional investigation methods that employ a linear framework such as root cause analysis or 5 whys, are unable to consistently identify true systemic organisational issues and lead to poor investigation outcomes and ineffective corrective actions.

This workshop will focus on:

- Traditional root cause investigations versus a Safety Differently approach.
- Why root cause investigations miss important gaps.
- Work as Normal compared to Work as Intended.
