

## 14 th World Conference on Injury Prevention and Safety Promotion

Adelaide, Australia, 27-30 November, 2022

WS3.2 - Riverbank Room 1 – Tuesday 29<sup>th</sup> of November 7:00 AM - 8:30 AM

### Using child and youth life-course approaches to achieve effective place-based injury prevention hosted by Communities that Care (CTC), Prof John Toumbourou, Deakin University

*PLEASE REGISTER AND JOIN US!*

<https://www.worldsafety2022.com/registration>

*Together we can introduce life-course injury prevention approaches that will reduce injury, while also improving mental health across large populations.*

This workshop will discuss young people and injury as well as how mental health problems develop and how they can be prevented using community partnership approaches.

#### INVITED GUESTS

- **Dr Roderick J. McClure**, Director, Health Decision Support Pty Ltd. Editor-in-Chief BMJ Injury Prevention
- **Dr Stephen Carbone**, CEO, Prevention United
- **Dr Dale Hanson**, International Safe Communities Certifying Centre Chair

#### LED AND HOSTED BY

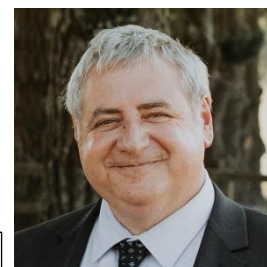

**Prof John Toumbourou**, Deakin University, Communities that Care (CTC). Communities That Care Ltd., is a not-for-profit training and consulting company. The company vision is to promote the healthy development of children and young people through long term community planning to prevent health and social problems.
