

**World Health
Organization**

Join us for the Safety 2022 side-event:

World Health Organization Business Meeting on Drowning Prevention

This event will:

1. Update partners on WHO's recent and upcoming work on drowning prevention, including:

- ▶ Upcoming WHO Global Status Report for Drowning Prevention (2023-2024)
- ▶ Establishment of a new Global Alliance for Drowning Prevention
- ▶ New practical guidance for the provision of day-care, basic swimming and water safety skills, and safe rescue and resuscitation training
- ▶ Reflections on World Drowning Prevention Day 2022 and plans for World Drowning Prevention Day 2023

2. Provide an opportunity for partners to share their work on drowning prevention

SESSION DETAILS:

Tuesday, November 29

12:45 pm – 1:45 pm

Riverbank Room 2
